Omschrijving

Sfeervolle 2/1 kapwoning in het karakteristieke Peazens – compacte woning met potentie!

Aan de rustige Eastein 12 in het pittoreske Peazens ligt deze charmante 2/1 kapwoning met een woonoppervlak van circa 47 m². Een unieke kans voor starters, recreanten of liefhebbers van kleinschalig wonen in een authentieke omgeving nabij de Waddenzee.

Indeling:

Bij binnenkomst betreedt u de hal met de meterkast en een waterput. Vanuit de hal bereikt u de separate keuken en de gezellige woonkamer. Op de begane grond vindt u tevens een slaapkamer en een eenvoudige badkamer met douche, toilet en wastafel. Op de verdieping bevindt zich een zolderkamer met diverse mogelijkheden.

Buitenruimte:

Achter de woning staat een houten tuinschuur van ca. 6 m², ideaal voor opslag. De tuin biedt genoeg plek om in alle rust van het buitenleven te genieten. De exacte perceelgrootte moet nog kadastraal worden bepaald; deze woning maakt momenteel deel uit van een groter perceel.

Bijzonderheden:

- Inclusief volledige inventaris (met uitzondering van enkele meubels en persoonlijke spullen - zie brochure);
- Perceel moet nog kadastraal gesplitst worden;
- Nutsvoorzieningen (gas, water, elektra) gedeeld met Eastein 10;
- Toekomstig recreatief gebruik is afhankelijk van gemeentelijke besluitvorming.

Let op: combinatieaankoop met Eastein 10 mogelijk

Eastein 12 is geschakeld met het naastgelegen Eastein 10, dat eventueel ook te koop is (met langere aanvaarding - in overleg). Beide woningen hebben een vraagprijs van € 165.000,- k.k. Gecombineerd bieden ze een interessante kans voor bijvoorbeeld dubbele bewoning, verhuur of recreatief gebruik (onder voorbehoud van vergunningen).

Over splitsing perceel en nutsvoorzieningen

De woningen Eastein 10 en 12 staan momenteel op één perceel van in totaal 275 m² eigen grond. Bij afzonderlijke verkoop zal het perceel kadastraal gesplitst moeten worden; de kosten hiervan zijn voor rekening van koper.

Ook worden de nutsvoorzieningen momenteel gedeeld. Bij afzonderlijke aankoop van Eastein 12 dienen deze voorzieningen te worden gesplitst – eveneens voor rekening van koper.

Bestemming en gebruik

Beide woningen worden al jarenlang recreatief gebruikt. In het verleden zijn hiervoor pandgebonden vergunningen verleend. Na de gemeentelijke herindeling en het vervallen van de Huisvestingsverordening zijn deze vergunningen echter niet meer geldig. Formeel mogen de woningen daardoor momenteel niet als recreatiewoning verkocht worden.

De gemeente onderzoekt momenteel de mogelijkheden om recreatief gebruik opnieuw planologisch mogelijk te maken. Dit traject is nog in ontwikkeling: participatie moet nog plaatsvinden, het plan moet door de gemeenteraad worden vastgesteld en er kan vervolgens nog beroep worden ingesteld.

Actuele bestemming: Wonen, waarmee permanente bewoning is toegestaan.

Samengevat

Eastein 12 is een charmante en compacte woning op een rustige locatie, met volop karakter en mogelijkheden. Geschikt voor permanente bewoning – en in de toekomst mogelijk ook voor recreatief gebruik. Ook interessant in combinatie met het buurpand.

Questionnaire concerning the house

Dutch Cooperative Association of Real Estate Brokers & Real Estate Experts NVM U.A.

Questionnaire concerning the sale of a house

If you think it necessary, you can provide further information either at the end of the questionnaire or in the text. If you are in doubt about how to answer something, or if you do not understand a question, just put a question mark beside it. Please then contact the NVM agent as soon as possible. Just cross out a question if it is not relevant. A copy of the questionnaire about the house is given to the buyer. In addition, a copy of the questionnaire is normally attached to the sales contract as an attachment.

Property

The questionnaire uses the term 'house'. The term house should be interpreted broadly. The term 'house' in the questionnaire refers to the entire immovable property including appurtenances, such as a garage, storage space, shed, garden and the like.

Purpose of questionnaire

The questionnaire provides shape, content and structure to the duty of disclosure. The duty of disclosure goes no further than sharing what you as the seller know about the house at the time of completing the contract. The questionnaire is not intended to provide guarantees and is of an informative nature.

Usually most of the questions in the questionnaire can be answered with 'yes', 'no' or 'not known'. The open-ended questions feature a text box. Here you can formulate your own answer. If you cannot answer the question, please indicate that the answer is not known to you.
