WELCOME TO
BEECH PARKSIDE RESIDENCES

A rare opportunity to live where nature meets the city;
Where architectural refinement blends seamlessly with
personal expression.

An intimate, boutique development offering an exceptional standard of modern
family living in one of Amsterdam's most distinguished settings.

FREEHOLD OWNERSHIP – TRUE FREEDOM, RARELY FOUND

Owning property on freehold land in Amsterdam is an exceptional privilege. Here, ownership is absolute – no leasehold, no annual ground rent – granting both independence and enduring value.

These two spacious townhouses, each measuring approximately 245 sqm, embody elegance and flexibility across multiple levels, creating the perfect home for modern urban families seeking serenity and space.

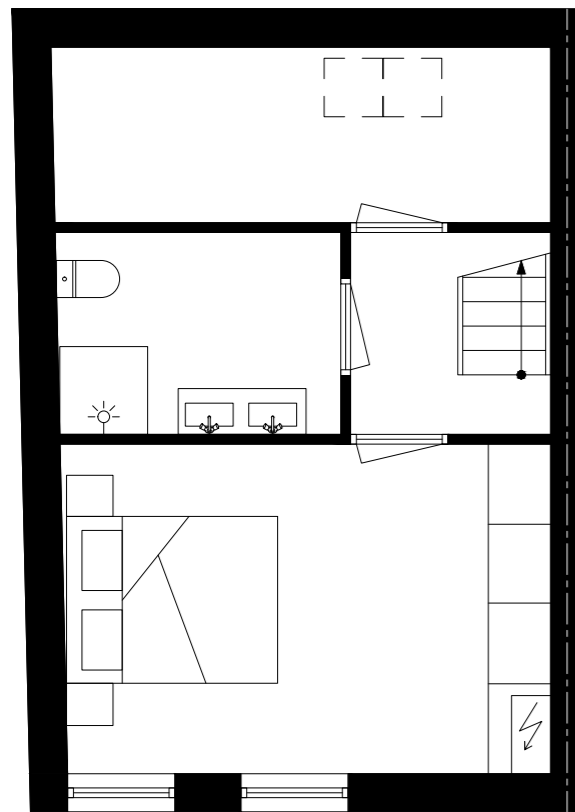

TAILORED TO YOU – THE ART OF BESPOKE LIVING

Every Beech Parkside Residence is designed as a blank canvas for your personal vision. Generous finishing allowances allow you to tailor every detail – from handpicked materials and refined finishes to a kitchen crafted precisely to your taste.

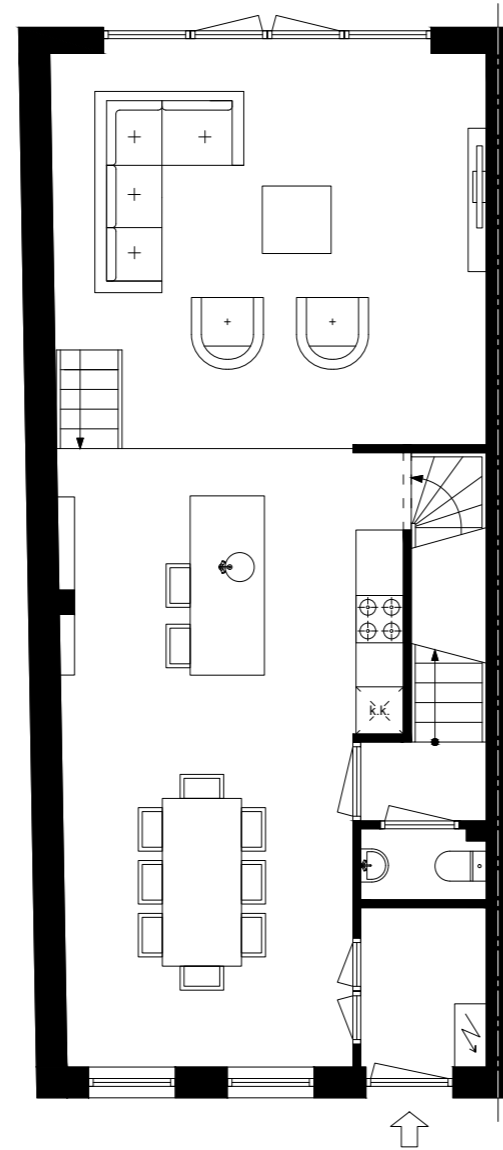

This is luxury that feels deeply personal; a home that truly reflects who you are.
