

A photograph of a two-story brick house at night. The house has a dark tiled roof and several windows, some of which are illuminated from within. On the left, there is a large white garage door. To the right of the garage, a small white sign with the number '4' is visible. A paved patio area leads to the front entrance, which is partially obscured by a large planter box containing several potted plants. The overall scene is lit with warm interior and exterior lighting against a dark blue twilight sky.
